

## Graduate Underground Mine Surveyor

AngloGold Ashanti's Sunrise Dam is WA's premier gold mine located in the Laverton region of Western Australia. This open pit and underground operation produces over 400,000oz of gold per year. Over 600 people are employed on site, approximately one third of which are direct AngloGold employees. Working on an attractive 8 day on 6 day off fly-in, fly-out roster, AngloGold Ashanti offers first class accommodation and facilities.

An exciting and challenging opportunity exists for a Graduate UG Mine Surveyor to perform surveying activities to enable efficient and safe achievement of targeted mine production. A formal qualification in Surveying is required and you must be committed to obtaining your Grade 1 Authorisation.

Key accountabilities of this role include:

- Survey of underground development, drilling and surface infrastructure, enabling a definitive analysis of mining progress and assisting calculation of mining contractor accounts.
- Collection and processing of survey data and production plans, report and other forms of spatial information, including systems to ensure integrity and continued availability of data.
- Assist in the implementation of appropriate systems and standards to ensure a continuous and cost effective provision of services.
- Maintenance of survey and ancillary equipment
- Assist with the preparation of statutory mine plans and reporting requirements
- Contribute to the development of weekly mine plans and schedules for mine optimisation

To be successful as a Graduate Mine Surveyor, you will possess:

- Sound practical and prioritizing skills
- Be innovative and have a strong desire to learn and succeed
- A demonstrated commitment to safety, quality and teamwork
- Excellent written and verbal communication skills

In return we offer a dedicated commitment to learning and development, a friendly and unique work environment and the opportunity to gain leading edge experience in the gold mining industry.

If you are innovative, have a strong desire to succeed and want to join an organisation who will foster your career, do not hesitate to submit your application.

If you want to join a global organisation that takes you seriously please register your interest, ***you may strike gold!***

Current students are welcome to apply.

Applications close 15<sup>th</sup> November 2008
