

# Premier Coal

*Wesfarmers Premier Coal Limited, a wholly owned subsidiary of Wesfarmers Limited and part of the Wesfarmers Resources Group, operates an open cut coal mine near Collie in the South West of WA that produces up to 3.5 million tonnes of coal per annum. Collie is situated 50km from the coastal centre of Bunbury and 200km south of Perth. The town has a population of 10,000 and provides a range of quality school, community and sporting facilities.*

*Due to a vacancy in the Technical Services Department, we invite applications for a:*

## Mining Engineer

The Mining Engineer will report to the Senior Mining Engineer and be responsible for:

- Producing monthly and three monthly mining schedules and related mine designs
- Analysis of mine performance and management reporting
- Providing technical advice to the production management team
- Developing mining strategies
- Coordinating and implementing schedules and designs with the production team
- Project work.

### Applicants should have:

- A degree in Mining Engineering
- One to three years experience in the mining industry (recent graduates are encouraged to apply)
- Experience with Vulcan and XPAC software would be an advantage
- Strong communication skills.

### This residential role offers:

- The opportunity to live and work in South West WA
- An attractive remuneration package commensurate with qualifications and experience
- Training and development opportunities
- The opportunity to be involved in existing projects
- Exposure to the latest mining systems.

Conditions of employment will be discussed at the time of the interview.

Written applications, including details of qualifications and experience, should be forwarded by Tuesday 23 September 2008 and addressed to:
